

ARE YOU COMPLIANT?

INCREASE Productivity and Compliance by Practicing the:

LOST ART OF THE TESTING DAY!

Proudly Brought To You by DOMEMED (Lehigh Valley Location) &

It is no secret that our business is a business of wellness and not necessarily isolated injuries. Insurance companies do not pay for wellness usually nor do they cover preventative medicine/health care. Make a move toward the future by doing what we are supposed to do on a regular basis and show both, the insurance and patient, what is really going on with them and get paid and increase productivity. Qualitative and Quantitative measures are a "Must". Don't be left behind! Learn the Secrets of a Chiropractic Detective and make it happen for you. Coding, Performance, Billing, Reporting, Rehab, Management. What are you waiting for?.
